Municipal Elections in Denver

In the City and County of Denver, a Municipal General Election shall be held on the first Tuesday in May of every odd-numbered year.

- In 2015, a Municipal General Election will be held on May 5 for the purpose of electing the Mayor, Auditor, Clerk and Recorder, and thirteen City Council members; and for the submission of any initiative, referendum, Charter amendment, or other referred measure to the voters.
- A Municipal Runoff Election will be held on June 2, 2015 if no candidate for Mayor, Auditor, Clerk and Recorder or District Council Member receives more than 50 percent of the vote in their respective race. In such a case, the two candidates with the highest number of votes and the candidate with the next highest number of votes in each race where no candidate has more than 50 percent of the votes will be on the runoff ballot. (See Charter § 8.2.21) No action is required on the part of the candidates to be on the runoff ballot. Top ballot position is determined by the date of the initial petition filing, with the earlier filed receiving top ballot position.
- In 2017, a Municipal General Election may be held on May 7 for the purpose of conducting a vacancy election, as appropriate, and for the submission of any initiative, referendum, Charter amendment, or other referred measure to the voters.
- In addition, a special election may be called for a vacancy, a recall, a referendum, an initiated ordinance or a Charter amendment.

Nomination of Candidates

Candidates for elective offices are placed on the ballot by filing a petition containing the required number of signatures of registered electors with the Denver Elections Division. This information packet explains the requirements to file such a petition.

Candidates may not run for two offices at once. (See C&R Rule 4.1.4)

There are nine steps to follow to qualify for ballot status for Municipal Office. The steps detailed on the succeeding pages are:

1. Verify that you are qualified to hold office
2. File campaign finance paperwork online
3. Obtain petition sections for circulation
4. Circulate petitions
5. File Completed Petitions and *Candidate Acceptance of Nomination Form*
6. Determination of Sufficiency
7. Protest of Nomination or Withdrawal
8. Determination of Ballot Order
9. Stay Informed

As an alternative to being placed on the ballot, candidates can receive write-in votes. However, no write-in vote for any office will be counted unless the candidate has filed an affidavit of intent to accept the office with the Denver Elections Division at least fifteen (15) days before the day of the election and meets the qualifications as provided in the Charter for the office. (See D.R.M.C. §15-10)

Step 1 – Verify That You Are Qualified to Hold Office

- **Mayor:** Must be a citizen of the United States, a resident of the City and County of Denver for the two (2) years immediately preceding the election, a qualified elector of the City and County of Denver, and at least thirty (30) years of age by the date of the election. The Mayor will devote full time to the duties of the office of the Mayor. (See Charter § 2.1.1)

(See Charter § 3.1.3)
 - No person who has been convicted of willful evasion of City or State taxes; or who has been convicted of malfeasance in office, bribery or other corrupt practices, shall be qualified for membership in the Council. (See Charter § 3.1.5)

For purposes of any provision of the Charter requiring a candidate for office to be a resident of Denver or a resident of a Council district for a specified period of time, **residency shall be established in accordance with the following criteria:**

- a. The residence of a person is the principal or primary home or place of abode of a person. A principal or primary home or place of abode is that home or place in which a person's habitation is fixed and to which that person, whenever absent, has the present intention of returning after a departure or absence, regardless of the duration of the absence. A residence is a permanent building or part of a building and may include a house, condominium, apartment, room in a house, or mobile home. No vacant lot or business address shall be considered a residence.
- b. The residence claimed by a candidate to establish residency to run for office shall be the same as the residence given for motor vehicle registration and for state income tax purposes. (See D.R.M.C. § 15-7)

Step 2 – File Campaign Finance paperwork

Login to the campaign finance database online by going to www.DenverVotes.org, selecting Campaign Information, and then select Campaign Finance. On this page you will also find a link to the database user manual which walks through the steps of using the system.

The screenshot shows the Denver Elections website interface. At the top, there is a search bar and navigation tabs for Voter & Election Information, Elecciones, Campaign Information, Records & Data, Products & Services, Newsroom, About Us, and Contact Us. The main content area is titled "Online Campaign Finance Filing" and includes a welcome message, social media icons for Facebook and Twitter, and several buttons: "Running For Municipal Office >>", "Campaign Finance Login >>", and "User manual (PDF)". On the right side, there are four menu items: "Voter Registration Info", "Ballot Trace", "Voter Services Map", and "Voter & Election Info".

Once in the system, click the “Create new Campaign/Committee” button (see page 11 of the user manual) and enter the requested information into each field. When all fields have been completed, click the “continue” button. You will be taken to complete the following tabs:

The *Candidate Financial Disclosure Statement*, the *Statement of Political Committee Organization*, and the two notarized forms: the *Candidate Financial Disclosure Statement* and the *Political Committee Treasurer Affidavit* must be delivered to the Denver Elections Division, 200 W 14th Ave. Suite 100 Denver, CO 80204.

Step 3 – Obtain Petition Sections for Circulation

Candidates may obtain petitions for circulation in one of two ways:

Option 1: Obtain pre-printed petition sections from the Denver Elections Division.

- The Denver Elections Division will provide pre-printed municipal election petition sections at no charge to any declared candidate who requests them, and who has a *Municipal Candidate Affidavit* on file with the Denver Elections Division. All candidates are encouraged to make use of these pre-printed petition sections in lieu of preparing and printing their own petition sections.
- For the May 5, 2015 General Municipal Election, petition sections are available beginning Monday, February 2, 2015, and may be circulated for signatures beginning **Tuesday, February 3, 2015**.
- When you pick up petition sections you will receive a *Candidate Acceptance of Nomination Form*. Each petition section includes *Instructions to Circulators* and an *Affidavit of Circulator*. (For an example see Appendix A)
- The candidate's name and the office sought must be filled in on each page of the petition section. The name must be identical to the name listed on the *Candidate Acceptance of Nomination Form*.

Option 2: Create your own petition sections. (See C&R Rule 4.3.2 D. ii)

- A candidate may create petition sections observing all requirements as to the form of petitions.
- A sample petition section must be submitted to the Denver Elections Division for approval as to form prior to circulation.
- The Denver Elections Division will accept or reject the petition sample by the close of the second day following submission and will notify the candidate in writing.

Step 4 – Circulate Petitions

- After receiving pre-printed petition sections from the Denver Elections Division or creating your own and having them approved by the Denver Elections Division, petition circulators may begin to collect signatures on the following timetable:
 - Petitions of nomination must not be circulated prior to 91 days before the Municipal General Election. (See C&R Rule 4.3.3 A) For the May 5, 2015 municipal election, petitions may be circulated beginning **February 3, 2015**.
 - For a vacancy election, petitions may be circulated only after the official declaration of a vacancy by City Council. (See C&R Rule 4.3.3 B)

- Circulators of petitions must:
 - be at least 18 years of age at the time of petition circulation;
 - provide the permanent address at which the circulator resides and the temporary Colorado residential address (if the circulator is not a Colorado resident) at which the circulator resides;
 - be a citizen of the United States;
 - personally circulate the petition section to which he or she subsequently attaches an affidavit;
 - have all signers sign the petition in their presence;
 - solicit signatures from only electors registered in the City and County of Denver and the district, if applicable;
 - give each signer the opportunity to read and understand the petition;
 - not pay or permit payment of any kind to any signer for the purpose of obtaining a signature;
 - sign and have notarized an *Affidavit of Circulator*, which must be attached to each completed petition section (see Step 5 below).

(See C&R Rule 4.3.2 C)

- Signers of petitions must:
 - print the current date;
 - print their name;
 - print their year of birth;
 - print their residential address;
 - sign their name.

(See C&R Rule 4.3.2 B. ii)

Any person **except a circulator** may assist an elector who is physically unable to sign the petition in completing the information on the petition as required by law. On the petition, immediately following the name of the elector, the person providing assistance must both sign and state that the assistance was given to the elector. (C&R Rule 4.4.3 G)

- Failure to circulate petition sections and properly complete them with required information, including but not limited to circulator affidavits, in accordance with applicable provisions of law and Clerk and Recorder Election Rules may result in the rejection or invalidation of a petition section.

Petitioners are strongly advised to collect well over the number of signatures required in the event that some signatures are found to be invalid.

Step 5 – File Completed Petitions and Candidate Acceptance of Nomination Form

- Before filing a petition be sure that:
 - the petition circulator has signed the *Affidavit of Circulator* contained in each of the petition sections that he or she personally circulated.
 - the *Affidavit of Circulator* has been notarized.
 - Any signature added to a section of a petition after the affidavit has been executed is invalid. (See C&R Rule 4.4.3 A. iii)
 - petition sections remain completely assembled. If a section shows evidence of having been taken apart, all names on the section will be disqualified. (See C&R Rule 4.4.1 C)
- A nomination petition must be filed with the Denver Elections Division no later than fifty-five (55) days before the election date. (See Charter § 8.2.7 and C&R Rule 4.2.1)
 - **March 11, 2015 is the deadline to turn in petitions for the May 5, 2015 General Election.**
 - Petitioners are advised to turn in petitions as early as possible in the Charter-established time frame to allow time to gather more signatures, if needed, prior to the fifty-five day final deadline. **There is no cure period after the fifty-five day deadline.**

A *Candidate Acceptance of Nomination Form* must be filed along with the nomination petition. (See D.R.M.C. §15-1, and C&R Rule 4.2.1) This form must include the full name of the candidate as the candidate wishes the name to appear on the ballot and the candidate's full address.

Step 6 – Determination of Sufficiency

After completed petitions have been turned in to the Denver Elections Division:

- Petition information and all signatures will be compared to voter signatures on file in the statewide voter registration database in accordance with Clerk and Recorder Election Rules. (See C&R Rule 4.4)
- The Denver Elections Division will determine whether the petition contains the required number of valid signatures.
 - Required Number of Signatures:
 - **Mayor, Auditor, Clerk and Recorder, or Council Member At-Large:** The petition must be signed by at least three hundred (300) registered voters who reside within the City and County of Denver. (See Charter § 8.2.7)
 - **District Council Seat:** The petition must be signed by at least one hundred (100) registered voters who reside within that district. (See Charter § 8.2.7)
 - Petitions may contain only the signatures of registered electors whose names do not appear on any other petition filed for the same office, with the exception of Council At-Large petitions.

- There are two elective offices of City Council At-Large. Each at-large seat is a separate elective office. Therefore, eligible electors may sign a maximum of two separate candidate petitions for the at-large seats.
- For all offices other than the At-Large Council seats, if an elector signs more than two petitions of nomination for the same office, the signature on the first petition that was filed with the clerk and recorder will be the signature that will be counted. (See C&R Rule 4.4.3 F)

If a signature is found on more than one petition for the same office (or on more than two petitions for City Council At-Large) the signature will be awarded to the candidate whose petition was turned in earlier.

- If a petition is deemed sufficient, the Elections Division will issue to the candidate a *Letter of Sufficiency*.
- If a petition is deemed insufficient, the Elections Division will notify the candidate of the insufficiency.
 - A candidate may cure the insufficiency by filing an addendum to the original petition between the ninety-first (91st) and fifty-fifth (55th) day before the election to replace any signatures that were rejected as insufficient. (See C&R Rule 4.5.2)
 - **There is no cure period after the fifty-five day deadline.**

Step 7 – Protest of Nomination or Withdrawal

Protests

- A petition of nomination that has been deemed sufficient shall be valid unless a petition for a review of the validity of the petition is filed with the District Court within five days after the Elections Division's *Letter of Sufficiency* is issued. (See C&R Rule 4.6)
- If the Elections Division determines that a petition is insufficient, the candidate named in the petition may petition the District Court within five days for a review of the determination. (See C.R.S. § 1-4-909(1.5) and C.R.S. § 1-1-113)

Withdrawals

- Any candidate who has been nominated may, not later than forty-eight (48) days before Election Day, withdraw by presenting a *Candidate Withdrawal Form* to the Denver Elections Division. This form must be notarized to be valid. (See D.R.M.C §15-1, and C&R Rule 4.2.3)

Step 8 – Determination of Ballot Order

- Once all petitions have been deemed sufficient, the order in which candidates' names appear on the ballot will be determined by lot. (See C&R Rule 4.2.3) The lot drawing will occur at a public meeting at the Denver Elections Division. Candidates and the general public will be notified of the location, date and time of the meeting.

- In the event of a runoff, top ballot position is determined by the date of the initial petition filing, with the earlier filed receiving top ballot position. (See Charter § 8.2.21(F) and C&R Rule 4.7.2) The Elections Division will contact all candidates who will be in a runoff to inform them of their ballot position.
